

GAME TRAIL ASSOCIATION, INC.
ADOPTION OF GENDER-NEUTRAL LANGUAGE
IN GAME TRAIL GOVERNING DOCUMENTS

In the spirit of fairness and equity, it is understood that the antiquated language in the Game Trail Articles of Incorporation, Bylaws, Covenants, Rules and Regulations, Policies, and any other governing documents that reference “he”, “his” or other singular and/or plural male pronouns are explicitly understood to be deemed gender neutral and singular or plural as the identity of the person or persons or entities may require. As new governing documents are adopted and/or existing governing documents are amended, they will include gender neutral pronouns in all instances.
